

**Do you have an idea or project to nurture resilient youths and tackle youth crime?  
Let us work together to make it a reality!**

The **National Committee on Youth Guidance and Rehabilitation (NYGR)** has spearheaded and supported a range of developmental, preventive and rehabilitative programmes to reach out to and help at-risk/delinquent youths.

The NYGR Fund is administered by the National Youth Council, the Advocate, Connector and Enabler for Youth. The NYGR Fund supports the work of Voluntary Welfare Organisations and Youth Sector Organisations by partially funding meaningful outreach projects for at-risk youths, public educational programmes targeted at reinforcing positive values, training platforms for youth workers as well as research studies related to at-risk/juvenile delinquency issues. By working with community partners, we aim to develop a vibrant and supportive environment for youth who are inspired to dream and committed to action to bring about the future that they want.
